SREEYA WUTICHARN

Sreeya

This year Sreeya Wuticharn shared a year of her life with WAHS. Sreeya's warmth, charm, friendliness, and happy smile have imprinted on all who know her, lasting, wonderful memories of her year with us.

As this year with Sreeya ends, all of us at WAHS extend the hope that Sreeya's memories of this year will equal the memories that are now, and in future years, will be flooding our memories with nostalgia.

If Sreeya's year with us has brought each of us who have known her nearer to the reality and nearer to obtaining the reality that all men can live together in peace, then this year has been more than memories; it has been a true learning experience.
